About UniDevice AG

UniDevice AG (Share-ISIN: DE000A11QLU3; Bond-ISIN: DE000A254PV7) operates with its subsidiary PPA International AG as an international B2B broker for communication and entertainment electronics with a focus on high-priced smartphones from leading manufacturers such as Apple and Samsung. In this market, the Berlin-based company is the first in Germany to specialize in optimizing customers' supply chains. Customers include cellular service providers, wholesalers and retailers. Risks are much lower than with a wholesaler because of the rapid inventory turnover and immediate payment by customers.

UniDevice AG is active with the subsidiary SaniSolutions GmbH (a specialty medical supply store for the latest rehabilitation technology), with three locations nationwide, in the field of medical technology. The focus of the company is on restoring mobility for physically disabled people after an accident or during a severe neurological illness. The two main product areas are the distribution of special and modern rehabilitation aids, as well as the special construction of patient individually made seat shells and seat cushions. The focus of the rehabilitation aids is on electric wheelchairs.

UniDevice AG has been listed with a share (DE000A11QLU3) since March 2018 and has been represented on the capital market with a bond (DE000A254PV7) since December 2019.
