UniDevice AG in the third quarter 2020:

Final quarterly results: sales EUR 109 million, net profit EUR 1.3 million

- Broker for communications and consumer electronics benefits from a strong market position
- Third quarter 2020: sales EUR 108.92 million (+42%), net profit EUR 1.29 million (+55%)
- 9 months 2020: sales EUR 305 million (+16%), net profit EUR 2.9 million (+53%)

Schönefeld, October 27, 2020 – UniDevice AG (ISIN: DE000A11QLU3) announces that it has expanded its profitable growth path in the third quarter of 2020.

Sales growth was 42% in the third quarter (to 109 million euros).

The net profit rose by 55% (to 1.3 million euros).

In the first 9 months of 2020, sales of EUR 305 million (+16%) and a net profit for the period of EUR 2.9 million (+53%) were achieved.

The quarterly report is published on the website.

„The first 9 months of 2020 were very successful and justify the start of the dividend payment in 2020. We are now looking forward to the imminent introduction of 5G-enabled mobile phones in the high-revenue fourth quarter with "Black Friday", "Cyber Monday" and Christmas", said Dr. Christian Pahl, CEO of UniDevice.

About UniDevice AG

UniDevice AG (DE000A11QLU3) operates with its subsidiary PPA International AG in international B2B brokerage for communication and entertainment electronics with a focus on high-priced smartphones from leading manufacturers such as Apple and Samsung. In this market, the Berlin-based company was the first in Germany to specialize in optimizing customers' supply chains. Customers include cellular service providers, wholesalers and retailers. Risks are much lower than with a wholesaler due to the rapid inventory turnover and immediate payment by customers.

UniDevice AG is active with the subsidiary SaniSolutions GmbH (a specialty medical center for the most modern rehabilitation technology) with three locations nationwide in the field of medical technology. The focus of the company is on restoring mobility for physically disabled people after an accident or during a serious neurological illness. The two main product areas are the distribution of special and modern rehabilitation aids, as well as the special construction of manufactured seat shells and seat cushions. The focus of rehabilitation aids is on electric wheelchairs.

UniDevice AG has been listed with a share (DE000A11QLU3) since March 2018 and has been represented on the capital market with a bond (DE000A254PV7) since December 2019.
