About UniDevice AG

UniDevice AG (DE000A11QLU3) is an international B2B broker for communication and entertainment electronics with a focus on high-priced smartphones from leading manufacturers such as Apple and Samsung. In this market, the Berlin-based company is the first in Germany to specialize in optimizing customers' supply chains. Customers include cellular service providers, wholesalers and retailers. Risks are much lower than with a wholesaler because of the rapid inventory turnover and immediate payment by customers. The company has been listed on the stock exchange since March 2018 and has been represented on the capital market with a bond (DE000A254PV7) since December 2019.
