Black Friday and Cyber Monday cast their shadows ahead

Schönefeld, November 09, 2023 - UniDevice AG (ISIN: DE000A11QLU3) announces the results for the month of October 2023 and the first daily turnover of more than EUR 4 million in 2023.

In October, sales amounted to EUR 47.7 million (15% over the same month last year).

The gross margin in October was 1.82% of sales (compared to 1.77% in the first nine months of 2023) and the profit for the period was EUR 357 thousand, 0.75% of sales (compared to 0.35% in the first nine months 2023). A quarterly profit in Q4 2023 of at least EUR 1 million would therefore be achieved by a third.

Today, November 9th, 2023, a daily turnover of more than EUR 4 million will be achieved for the first time in 2023. Black Friday and Cyber Monday cast their shadows ahead.

About UniDevice AG

UniDevice AG (DE000A11QLU3) is active in communication technology with PPA International AG, an international B2B broker for communication and entertainment electronics with a focus on high-priced smartphones from leading manufacturers such as Apple and Samsung.

In this market, the Berlin-based company was the first in Germany to specialize in optimizing the customer's supply chain.

Customers include wireless service providers as well as wholesalers and retailers. Risks are much lower than with a wholesaler because of the rapid inventory turnover and immediate payment by customers.

The company has been listed since March 2018 and has been represented on the capital market with a bond (DE000A254PV7) since December 2019.
